

## ICAE Virtual Seminar: Towards the VIII ICAE World Assembly

### A world worth living in. Adult learning and education: a key for transformation

Welcome to the **ICAE Virtual Seminar** that will be held from **March 14 to April 15** as part of the preparatory process towards VIII ICAE World Assembly that will take place from June 14-17, 2011 in Malmo Sweden <http://aworldworthlivingin.se/>

The next VIII World Assembly of ICAE will be a **UNIQUE** opportunity to move beyond the assertion that **another world is possible**, to ask how we can create a world worth living in for young people and adults across the world.

There has never been a more important time for popular and adult educators to work together, to share experience with other organizations and social movements, and to frame thinking on what a world worth living in for everyone would look like, and what role learning can play.

We hope to receive your inputs, based on your own experience.

**This virtual seminar is a first step towards ICAE World Assembly.**

#### Instructions to participate

For those of you who are participating in an ICAE Virtual Seminar for the first time, please note that it is very simple:

1. ICAE/GEO members and IALLAs have been suscribed to a special moderated list created for this seminar and called [Towards ICAE World Assembly].
2. All of you will daily receive the papers and inputs of the seminar directly in your mailboxes. You don't have to go to a special website: <http://aworldworthlivingin.se/>

3. If you wish to send comments or inputs you have to reply to the message received. This message will be received by ICAE Secretariat that administrates and moderates the list. Once or twice a day, ICAE Secretariat will compile all the information received in one message and will forward it to all the people subscribed to the list. As it is a moderated list you will **not** receive thousands of messages in your mailbox.

4. The seminar will last 4 weeks: from March 14 to April 15

5. Documents will also be available in our website: [www.icae.org.uy](http://www.icae.org.uy) and our special website for the VIII ICAE World Assembly

6. Should you have any doubt, please do not hesitate to write to the list administrators: [icae@icae.org.uy](mailto:icae@icae.org.uy) or [oficina@icae.org.uy](mailto:oficina@icae.org.uy)

We hope to have an active participation from all the regions that will contribute to a rich and fruitful exchange.

If you think you will not be able to follow this exchange and you prefer to be left out of this list, just send a message to the list or to [oficina@icae.org.uy](mailto:oficina@icae.org.uy) or [icae@icae.org.uy](mailto:icae@icae.org.uy) , to unsubscribe, and we shall immediately proceed accordingly.

If your email address is not included in the list, please write to the same address and you will be included.

If you wish to receive these messages in another email address, please let us know.

With best wishes

**Cecilia Fernández**
